

SINKLAND FARMS EVENT VENUES

Sinkland Farms offers three venues for events of all sizes and styles. Our smallest venue, the Sinkland Farms Cottage Shoppe, is approximately 1800 square feet with country tables and chairs perfect for meeting space, birthday parties, and educational classes. The outdoor patio is also available for use during events. The Barn Pavilion is our newest addition for large indoor events. At approximately 5000 square feet, the Pavilion boasts ample space for dining, dancing, fairs, and shows.
